Seeing my best friend	
Buying new stuff	Reading books
My family	Sleep over's
Cooking	Gardening
Playing video games	Cleaning
Richmond Tiger's	Diamond art dots
Chocolate	School
Milo drink	BBQ

Prep Enrolment Package.

We look forward to keeping in touch with our incoming students- even in remote times! We have an 'Welcome to SGRPS 2021' package for every new Prep enrolment. We will also be sending a 'read aloud story' home to all registered Preps as we receive the enrolment documentation. Please have this completed by August 29th.

Student Learning, Engagement and Wellbeing: It is quite an achievement to ensure every student in our school has access to a device, and internet activity to enable remote learning using digital platforms. We are very proud to see high levels of student engagement in their learning and look forward to seeing all students submitting their completed work online. In Remote Learning 2 we have added Student Engagement and Wellbeing Thursdays to the timetable. Our Specialist teachers are very pleased with students participating in their programs to balance the academic with creative and physical curriculum. Thankyou parents for supporting this effort!

Year 6-7 Transition: Grade 6 students transitioning to Greater Shepparton Secondary College received a COMPASS notification yesterday. A letter will follow.

Recent citizenship achievements: many families wait a long time to receive their citizenship. Recently Khalid Dhayool (Zehra and Sajad's dad) and Angel Patel and Mohammad Reza Hussaini were notified of the citizenship. We are very happy for these families.

Father's day acknowledgement: Dads and significant others play a very important role in keeping families happy and connected. We will support our students with a special card to be personalized in the week ahead prior to Sept 6th.

WHAT'S COMING UP

Yr 6-7 Confirmation of Placement at GSSC

Prep Enrolment Forms: Due by Friday August 29th

Father's Day – Sunday September 6th

All students will be put into a draw and a winner announced on Friday September 4th

Remember to send through any remote learning photos to our school email address.

			Awards presented to students who are completing remote learning every day!
Myles Daperoc 4 Coombs	Amal Zaid 5 Hopkins	Riley Millington 6 Faralla	

Watch this space

As part of the Remote Learning experience students are asked to upload completed work samples for the teacher to review. Each week we will look at what has been uploaded on our various platforms to find a 'standout example' to showcase in our newsletter. This week we have Fatima Alkhateeb from Foundation Burton proudly showing how to share things equally.

Fatima Alkhateeb -
Foundation Burton

Foundation students have been learning how to share various things with groups of people. Here is an example of how Fatima Alkhateeb shared 6 buns with 3 Barbies.

Remote Art Award
Presented to
Sakina Haidari & F

Well done

Rolling Stone

This card game for kids can be a lot of fun but also very frustrating: just when you are about to win, you can find yourself right back at square one!

Number of Players:

4 - 6

Age Range:

6 years and over

Cards:

If six players: One standard deck with the twos removed

If five players: Twos, threes and fours removed

If four players: Two, threes, fours, fives and sixes removed.

Aces are high

Instructions:

1. The players cut the deck and the highest card deals all the cards around the group clockwise, until each player has eight cards.
2. The players sort their cards by suit and then the player to the left of the dealer plays one card face-up.
3. The next player then has to play a card which is of the same suit.
4. Play continues until a player cannot place a card, at which point they have to pick up all the face-up cards and add them to their hand.
5. They then start the next round with one of their cards of a different suit.
6. **The winner** is the player who runs out of cards first.

Have Fun
